

Incentives Provisions

1. Objective

For the purpose of increasing products bearing the SIAA brand mark, this society shall set the incentive scheme to facilitate the invitation of the admission of new members by the existing members and to facilitate the number of the voluntary registration of antibacterial products by members.

2. Incentive Target

The members who meet any of the following conditions shall be incentive target.

- (i) The number of new members who have admitted through such member's introduction shall not be less than two companies (institutions) in the same year.
- (ii) The number of the products that are voluntarily registered with this society shall not be less than three in the same year.

3. Method of Giving Incentives

The Secretariat shall recommend such member and the Board of Directors shall approve the same.

4. Incentives

The qualified member shall be given a letter of appreciation and prize money determined separately at the annual meeting of the General Assembly of the next operating year.

5. Enforcement Date

These provisions shall go into force on April 1, 2005.

Formulated: February 3, 2005
